Superseding
PIA-C-2001
20 July 2007

The following commercial specification is an original Parachute Industry Association specification.

CLOTH, SATEEN, COTTON, DYED

The Parachute Industry Association makes this document available for use by Industry and Government organizations that wish to apply this specification to their products.

1. SCOPE

1.1 Scope. This specification covers dyed cotton sateen cloth.

2. APPLICABLE DOCUMENTS

2.1 General. The documents listed in this section are specified in Sections 3 and 4 of this specification. This section does not include documents cited in other sections of this specification nor is it recommended for additional information or as examples. While every effort has been made to ensure the completeness of this list, document users are cautioned that they must meet all specified requirements of the documents cited in Sections 3 and 4 of this specification, whether or not they are listed.

2.2 Government publications.

2.2.1 Government publications. The following Government publications form a part of this document (see 2.3).

COMMERCIAL SPECIFICATION

A-A-52094 - Thread, Cotton
