

PIA-W-38282
 1 OCTOBER 1999
 Renamed and
 SUPERSENDING
 MIL-W-38282A (USAF)
 3 April 1980

The following commercial specification is adopted from the military document referenced without change to the content.

Note: Although many military quality and inspection specifications, drawings and standards have been discontinued or deleted, most have been replaced by industry and commercial documents. When the specification refers to a discontinued or deleted document, you should refer to the procurement document or your contracting officer for guidance.

This specification is approved for use by Air Force Wright Aeronautical Laboratories (Materials Laboratory), Department of the Air Force, and is available for use by all Departments and Agencies of the Department of Defense.

MILITARY SPECIFICATION

WEBBING, TEXTILE, ARAMID, TUBULAR
