

INCH POUND

**PIA-T-5237**  
24 January 1998

**Renamed from**  
**MIL-T-5237E**  
4 September 1990

The following commercial specification is adopted from the military document referenced *without change* to the content.

Note: Although many military quality and inspection specifications, drawings and standards have been discontinued or deleted, most have been replaced by industry and commercial documents. When the specification refers to a discontinued or deleted document, you should refer to the procurement document or your contracting officer for guidance.
