

PIA-STD-905A
25 April 2002

SUPERSEDING
MIL-STD-905
11 September 1981

The following commercial standard is adopted from the military document referenced *without change* to the content.

Note: Although many military quality and inspection specifications, drawings and standards have been discontinued or deleted, most have been replaced by industry and commercial documents. When the specification refers to a discontinued or deleted document, you should refer to the procurement document or your contracting officer for guidance.
