**Press release: January 6, 2020**

**HLC Industries, a 104 year old family owned military and commercial fabric solution provider has announced their newly elected Board of Directors effective January 1, 2020.**

HLC Industries is pleased to announce their newly elected board of directors.

Vincent Salatino; President/CEO  
Diane Murphy; Secretary / Treasurer / CFO  
Hunter Landau; Vice President & Dir. of Operations  
Marnie Landau; Vice President & Director of Sales  
Stuart Lundy; Asst. Secretary

*"We are very excited to start this new decade with a dynamic and energetic team" said HLC's President Vincent (Vinny) Salatino who has been with HLC for 30 years. Hunter and Marnie Landau represent the 5<sup>th</sup> generation of this family owned business that spans over a century. "We are proud to have achieved ISO 9001:2015 certification in the latter part of 2019 which speaks volumes of our commitment to our customers to provide the best quality, service and textile solutions in the industry." added Mr. Salatino*

HLC Industries provides textile solutions for parachutes, tactical gear, and military equipment as well as fabrics used in many commercial market areas. HLC is based in Bala Cynwyd, a suburb of Philadelphia.

*HLC Industries will consistently provide products and services that meet or exceed our customers' requirements and expectations. HLC will always strive to improve our quality and service.*
